

Together, we can help find a cure.

Please join us for a fun-filled day with family and friends as we raise awareness and funds for the Carol M. Baldwin Breast Cancer Research Fund of CNY, Inc. For participants and sponsors alike, this special golf tournament offers a rewarding opportunity to meet and mingle with other area individuals and organizations. Come share a day of friendly competition and sportsmanship in the name of a very worthy cause.

The day's event will include both breakfast and lunch on the course, an awards dinner and prizes for men, women and mixed winners.

Through participation in this event, we will all make important contributions towards the support and funding of breast cancer research. We look forward to seeing you on the course!
